5 COMMANDS

5.1. Online orders

To buy a Ticket and/or a Gift Voucher and/or a Product, the Customer has the possibility, depending on the availability of the Flights and the Ticket chosen, either to make his reservation by creating an Account, or to make his reservation directly without creating an Account.

In all cases (creation or not of an Account), the Customer chooses among all the Gift Vouchers and/or Tickets and/or Products offered on the Websites by clicking on the "add to cart" button.

5.1.1. Bookings requiring the creation of an Account

For Orders of Gift Vouchers or Tickets that do not allow immediate booking, the Customer must first create an online Account by completing the form provided for this purpose.

The Customer must provide certain personal information intended for the establishment, execution and monitoring of the Contract and its follow-up (order, invoice, delivery).

Mandatory information is marked with an asterisk. These include the Customer's surname, first name, email address, telephone number, delivery address, billing address, password and username. Other information is provided optionally and spontaneously by the Customer. The Customer undertakes to provide accurate and complete information, and to update its information in the event that changes need to be made.

The provision of erroneous or inaccurate information that has made it impossible for VAO to perform its obligations, in particular, without the list being exhaustive, to deliver Gift Vouchers and/or Tickets, cannot engage the responsibility of the latter as a result.

The Customer must maintain the confidentiality of his password in order to avoid unauthorized use by a third party. In the event that the Customer disseminates or uses his identifiers (i.e. his email address or other identifier communicated by VAO) and password in a manner contrary to their intended purpose, VAO shall be entitled to terminate the Customer's Account without constituting a compensable damage to the Customer. The Customer is the only one who is responsible for the use of these identification elements by third parties, whether fraudulent or not. He guarantees VAO against any request and/or action based on fraudulent or non-fraudulent use of his password.

Under no circumstances may VAO be held liable in the event of usurpation of a Customer's identity, since it does not have the technical means to systematically ascertain the identity of people. In the event of suspicion of fraudulent use of his identifiers, the Customer must immediately inform VAO so that the latter can, if necessary, delete the fraudulent Account and create a new personal space.

In case of loss of password, the Customer has the possibility to request a reset of his password via the page "My Account" by clicking on the link "Forgot your password?".

A reset link is sent to the Customer on his valid email address. Providing an invalid email address (or not updating) will make it impossible to reset the password.

VAO reserves the right to suspend or delete the Account of any Customer who has contravened these GTC (in particular but not exclusively when the Customer has knowingly provided erroneous information when registering and creating his personal space, or in the event of payment incidents during previous orders) after formal notice sent electronically and remained without effect for more than thirty (30) Days. VAO also reserves the right to delete Accounts that have remained inactive for more than six (6) consecutive months.

5.1.2. Online Order Terms

In any case (prior creation of an Account or immediate reservation), the procedure for placing an Order by the Websites includes the following steps:

- step 1 - selection and validation of the Gift Voucher(s) and/or Tickets, and/or Products, in the basket by clicking on the "**add to cart**" button. The Customer may, depending on the case, choose a flight date according to availability, select the number of people and may at this stage modify his order and correct it.
- step 2 – if the Order requires the connection to an Account, the Customer not connected will be invited either to complete the identification form to identify himself, or to create an Account if he does not already have one.
- step 3 - summary of the Order and entry of contact details: the Customer can at this stage modify his order and correct it. The Customer enters his contact details. If the Customer chooses the method of delivery or provision of Gift Vouchers and/or Tickets and/or Products (postal dispatch - sending by email - downloading to his Account) and information of the delivery and billing address, the Customer may at this stage modify his Order and correct it;
- step 4 - verification of the Order: the Customer can at this stage modify his Order and correct it. The Customer is therefore required to check whether it corresponds to his expectations in terms of designation, price and quantity of Gift Vouchers and/or Tickets and/or Products.
- Step 5 - Placing of Order. To finalize his reservation, the Customer must tick the box relating to the acceptance of these general conditions which states "**By ticking this box, I acknowledge having read the General Terms and Conditions of services VOLER AVEC LES OISEAUX and I accept them**". Ticking the box will be deemed to have the same value as the Customer's handwritten signature.
- Step 6: The Customer will then have to click on the "**Switch to secure payment**" button. He will then be redirected to the payment interface to pay. He will then be able to choose his payment method and confirm his order through the "**Validate**" button.
- Step 7 - Order confirmation. After validation of the payment of the deposit for the Tickets or the amount of the Products or the selected Gift Voucher(s), the Order is sent by VAO in electronic format by sending a confirmation email to the address provided during registration which also includes the applicable GTC.

5.2. Telephone Orders

The Customer may place an Order by contacting VAO by telephone.

- Pilots may modify the routes of Flights at any time without this constituting compensable damage for Customers and/or Passengers.
- The Pilots of two-seater microlights freely choose the location of the Passenger. This location is determined according to the strength of the wind, the weight, the height of the passenger or any other criteria.

- During a ULM Flight with birds, the Passenger is not allowed to photograph or film the birds during the Flight.

The Customer is informed that the Flights are operated by the Pilots available on the day of the Flight and have no guarantee that the booked Flight will be carried out by Mr. MOULLEC in person.

The transfer of risk on the Products takes place as soon as the Products are handed over by VAO or by the carrier to the Customer. No Product will be sent before full payment of the price.

The information communicated by the Customer when placing an Order binds him. Any error in the execution of the order due to erroneous or incomplete information entered by the Customer may in no case be attributable to VAO. Additional costs resulting from the Customer's errors will be borne exclusively by the latter.

9.2 Receipt of Products

The Customer must check upon receipt of the Products, the conformity of the Products delivered to the Products ordered and the absence of apparent defect.

Without prejudice to the time available to the Customer under his right of withdrawal provided for in Article L. 221-18 and following of the French Consumer Code, it is the Customer's responsibility to check the package upon arrival of the Order and to make any reservations and justified claims to VAO, or even to refuse the package if it is likely to have been opened or if it bears obvious traces of deterioration.

Notwithstanding the foregoing, the Customer is the beneficiary of the legal guarantee and hidden defects under the conditions set out in Article 9.4.

VAO does not accept any return of a Product without prior and express acknowledgement of receipt of the complaint or reservation made. The Customer will return the Products, accompanied imperatively by the delivery note. Any costs of returning defective or non-compliant Products will be borne by VAO.

The conditions of legal guarantees (conformity and hidden defects) are recalled below:

It is recalled that the Customer benefits from the legal guarantee of conformity mentioned in Articles L.217-4 to L.217-13 of the French Consumer Code and that of defects of the thing sold under the conditions provided for in Articles 1641 to 1648 and 2232 of the French Civil Code.

- The consumer has a period of two years from the delivery of the goods to obtain the implementation of the legal guarantee of conformity in the event of the appearance of a lack of conformity. During this period, the consumer is only required to establish the existence of the lack of conformity and not the date of its appearance.
- 'Where the contract for the sale of the goods provides for the supply of digital content or a digital service continuously for a period exceeding two years, the legal guarantee shall apply to that digital content or digital service throughout the period of supply provided. - 'The consumer shall also be entitled to a reduction in the price of the goods or to the termination of the contract where the lack of conformity is so serious that he justifies the immediate reduction in price or termination of the contract. The consumer is then not obliged to request the repair or replacement of the goods beforehand.
- "The consumer is not entitled to cancel the sale if the lack of conformity is minor.
- ' Any period of immobilization of the good for its repair or its replacement suspends the guarantee which remained to run until the delivery of the good restored.

10.1. Modification or cancellation of the Flight by VAO

VAO may, at any time, for safety reasons or due to weather conditions or in any case of Force Majeure, change the day, time, place of take-off and change Aircraft. When the postponement request is compliant and accepted by VAO, another Flight date will be proposed to the Customer. If no date is suitable within twelve (12) months of the request for postponement, then the Order will be cancelled under the conditions set out in this article. Postponement is only possible once.

When the cancellation request is compliant and accepted by VAO, the Customer will be refunded the amount of the Flight paid for when placing the Order, to the exclusion of any other expense.

Otherwise, the Flight will be considered as completed and not subject to postponement, cancellation and/or refund.

10.2.2. Cancellation of an Order for Products

Notwithstanding the right of withdrawal in the case of online sales, no cancellation or modification of the Order of Products is possible from the moment the Order is firm and final.

10.2.3. Postponement of the validity of a Gift voucher

The extension of validity of the Gift Voucher has a cost of 25 € TTC per Passenger. The last deadline to extend your gift ticket is one (1) month after the end date of validity of the 1st year of the Gift Voucher. Beyond these deadlines, it is no longer possible to extend or use your Gift Voucher. 13 RIGHT OF WITHDRAWAL

13.1. No right of withdrawal for Gift Vouchers and Tickets

In accordance with article L.221-28 12° of the French Consumer Code, the right of withdrawal does not apply to *"the supply of accommodation services, other than residential accommodation, goods transport services, car rental, catering or **leisure activities that must be provided on a specific date or period**"* (English translation). The Customer therefore has no right of withdrawal for the Flight services offered and sold by VAO.

In any event, and in accordance with Article L.221-2 of the French Consumer Code, as a passenger transport service provider, VAO is not subject to the applicable regulations regarding distance contracts and the right of withdrawal.

13.2. Right of withdrawal for Products

13.2.1 How to exercise the right of withdrawal

Within the meaning of article L.221-1 of the French Consumer Code, a "distance contract" is any contract concluded between VAO and a Customer, within the framework of an organised system of distance sales or provision of services, without the simultaneous physical presence of the professional and the consumer, by the exclusive use of one or more distance communication techniques (telephone, fax, internet) until the conclusion of the Order.

In accordance with the provisions of Articles L.221-1 and L.221-28 and following of the French Consumer Code, when the sale is made through the Websites, the Customer has the right to withdraw from the Contract without giving any reason within fourteen (14) days. This right may be exercised by the Customer upon conclusion of the Agreement and shall expire fourteen (14) days following the day on which the Customer, or another person other than the carrier and designated by the Customer, receives the Products. If the fourteen (14) day period expires on a Saturday, Sunday or a public holiday or non-working day, it is extended until the next working day.

In the case of an Order for several Products delivered separately or in the case of an Order for a Product composed of multiple lots or pieces whose delivery is staggered over a defined period, the period runs from receipt of the last good or batch of the last piece.

To exercise this right of withdrawal from the contract concluded with VAO, the Customer must notify VAO by email (courrier@volaraveclesoiseaux.com) or by post (postal address mentioned in the heading of the GTC) of his decision to withdraw by means of an unambiguous statement (e.g. letter sent by post or e-mail). The Customer may use the withdrawal form proposed by VAO and found in the appendix (but this is not mandatory).

For the withdrawal period to be respected, it is sufficient for the Customer to transmit his intention to withdraw before the expiry of the withdrawal period.

13.2.2. Effects of withdrawal

In the event of a valid withdrawal by the Customer, VAO undertakes to refund all sums already paid, without undue delay and at the latest within fourteen (14) days from the date on which VAO is informed of the Customer's decision to withdraw, it being specified that VAO reserves the right to defer the refund until receipt of the Products (if they were delivered before the end of the withdrawal period) or until the Customer has provided proof of shipment of the Products, the date chosen being that of the first of these facts.

If delivery costs have been incurred by the Customer, the refund includes delivery costs, with the exception of additional costs arising from the Customer's choice of a delivery method that is more expensive than the standard delivery method offered by VAO. The return costs will be borne by the Customer.

The refund will be made using the same means of payment as that used by the Customer for the initial order, unless expressly agreed otherwise by the latter and provided that this refund does not incur any costs for the Customer.

The Customer must return or return the goods to VAO without undue delay and, in any event, no later than fourteen (14) days after he has communicated to VAO his decision to withdraw from the sales order. This period is deemed to have been respected if the Customer returns the goods before the expiry of the fourteen (14) day period.

The Customer must bear the direct costs of returning the Product. The Products must be returned in their original packaging and in the same packaging as that used during the shipment or any other packaging or packaging adapted to the Products.

The Customer is only liable for the depreciation of the goods resulting from manipulations other than those necessary to establish the nature, characteristics and proper functioning of this good.
